

Make your own Washington "Appletizers!"

Appletizers

ZAPPLES!

This one's as easy as pie. Actually, much easier!

1. Core a Golden Delicious apple.
2. Pour cinnamon sugar over the top.
3. Zap in the microwave 2-1/2 minutes on full power.

APPLE DIPPERS

You've never tasted apples so peanutty good!

1. Slice a Washington apple.
2. Arrange in a circle on a plate.
3. Put your favorite peanut butter (smooth or crunchy) in the center.

Hint: for variety, substitute different dips—like chocolate, caramel or cheese!

MICROWAVE CAMEL APPLES

5 or 6 medium Washington apples, any variety
5 or 6 wooden sticks
50 (about 14 ounces) bite-sized wrapped caramels
2 tablespoons water

1. Unwrap the caramels. Put in small deep microwavable bowl.
2. Add water to caramels.
3. Microwave caramels on HIGH for 3 minutes, stirring after every minute.
4. Insert wooden sticks into the stem end of apples. Hold an apple by the stick and, carefully, dip the apple into hot caramel sauce.
5. Repeat with other apples.
